

"HOPPY" BOX

FINISHED SIZE:

Approximately 5½" x 6".

MATERIALS:

- Two standard-size sheets clear 7-mesh plastic canvas
- Worsted or plastic canvas yarn:
 - 15 yds. lt. green
 - 40 yds. med. green
 - 10 yds. dk. green
 - 2 yds. red
- Two ½"-half dome black shank buttons
- Craft cutters
- Craft glue
- Tapestry needle

STITCHES USED:

Continental, diagonal, overcast, whipstitch.

FROG

1: Cut and work all pieces according to graphs.

2: Whipstitch side edges of Front to side edges of Right and Left Side pieces according to stitches on graph.

3: With med. green, whipstitch matching lettered edges of Top Back and Bottom Back together; whipstitch assembled Back to marked edges of Right and Left Sides (see graph).

4: With dk. green, whipstitch unworked Bottom to assembled Front, Back and Sides.

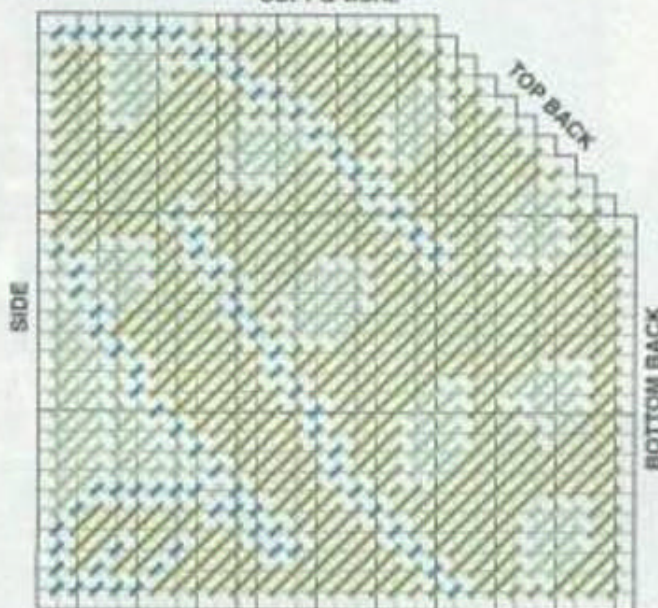

5: With med. green, whipstitch the top 3-hole edges of two Eye pieces together; overcast all edges except bottom. Repeat with remaining two Eye pieces.

6: With med. green, whipstitch bottom edges of Eye pieces to each unworked area on Lid.

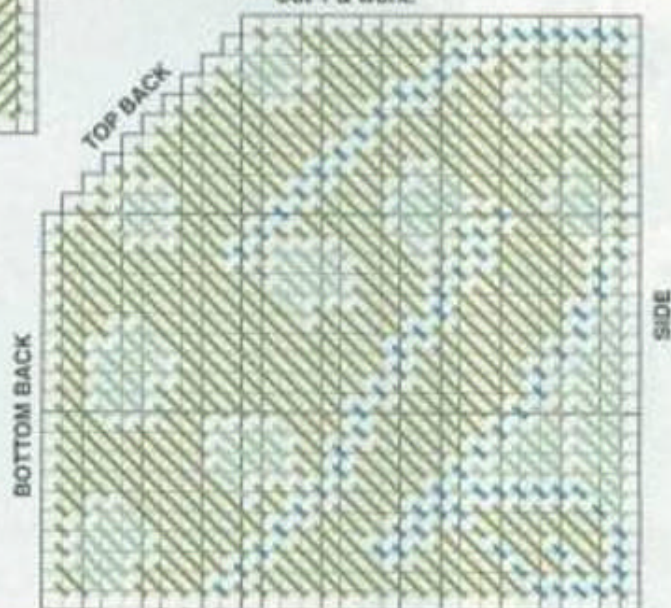

7: Centering Lid on top of Box; whipstitch back edge of Lid and remaining top edge of Top Back together. Overcast all unworked edges of Front with matching color; overcast remaining edges with med. green.

8: Cut shank off of each button with craft cutters. Glue one button to front of each Eye piece according to placement on graph. □□
